

ND 01 NBHA Newsletter
July 3, 2008

Greetings,

Summer is flying by now that it finally arrived. We have had some great barrel races and hopefully the rest of the runs will go well.

NEWS FROM NATIONAL NBHA OFFICE:

Rule changes: Non member fee, district declarations:

Effective immediately, there will be no non-member fee at NBHA events. A review of the show results submitted indicated this was of minimal benefit to the districts, as few non-members were paying the fee.

Also, effective this year, members may change districts at any time during the year. Previously, members were not allowed to change districts in the last 90 days of the competition year.

Update:

The runs coming up in Carrington and New Rockford on July 26 and 27th are scheduled to hopefully save on some gas money. At the present time the stalling available for the horses would be outside pens. We are checking to see if maybe a local person may have some stalls inside for those who don't want their horses out at night. We will keep you up to date on what I find out.

If all works out, we plan to have a supper in Carrington after the show as a fundraiser for the district. Probably steak and hamburgers. Please plan to stay and spend some social time with the other district members.

Still needed are some volunteers to work on selecting district prizes. We need about 4 people.

Thank-you to Julie Arnold for designing the website for the district. It looks great and has lots of information. www.ndnbha01.com

Most information for the district will be posted here.

Mo Barrel Racin' Series at the Otto Arena, Thompson, ND. Starts at 7:00pm, July 3, 17th and 31st. Contact Molly Otto for more info 218-791-4846

Look at the website to see results and point totals. Remember to be in the Saddle Series a \$50.00 registration fee is required either as a donation or check for you personally. If you want a chance to win a saddle sign up.

Happy Trails,

Alvina

District Director ND01
